Amira	PCA, Outliers, Normal Distribution., RF Model building,Hyperparameter tuning(knn),QDA Model	Present	Present
Arundhati	Feature Selection and Standard Scaler, Pipeline,RF Model Building,Hyperparameter tuning(knn),QDA Model	Present	Present
Khushi	Train Test Split and Random State, KNN Model building,Hyperparameter tuning(RF),QDA Model	-	Present
Mitesh	Cross Validation and ROC-AUC, RF+KNN Model building,Hyperparameter tuning,QDA Model	Present	Present
Nada Hegazy	PCA, Outliers, Normal Distribution, RF Model building,Hyperparameter tuning(knn),QDA Model	Present	Present
Rashmi	Feature Selection and Standard Scaler, Pipeline,KNN Model Building,Hyperparameter tuning(RF),QDA Model	Present	Present
Vaibhav	Train Test Split and Random State, KNN Model building,Hyperparameter tuning(RF),QDA Model	-	Present
Priti	Feature Selection and Minmax/Robo scaler, Pipeline,KNN Model Building,Hyperparameter tuning(RF),QDA Model		-

Reports :

1st Task.

- Amira & Nada worked together on the task and completed task properly.
- Arundhati & Rashmi worked together on the task and complete and submitted their work.
- Khushi & Vaibhav worked together and completed their task.

2nd Task.

- Amira, Nada & Arundhati, worked on RandomForest Model, and calculated the accuracy score of RF model and submitted their task.
- Khushi, Rashmi & vaibhav, worked on KNearest Neighbor Model and calculated the accuracy score of KNN model and submitted their task.

3rd Task.

- Amira, Nada & Arundhati, do the hyperparameter tuning for KNN Model and found the best parameters for KNN Model.
- Khushi, Rashmi & vaibhav, do the hyperparameter tuning for RF Model and found the best parameters for RF Model.

4th Task.

- Everyone worked for QDA Model individually and completed the model.

5th Task Deployment.

- First Deployment, DJANGO & HEROKU, worked by Amira, Nada & Arundhati.

Deployment Link: <https://technocolabsteamb.herokuapp.com>

- Second Deployment, FLASK & HEROKU, worked by all the team mates.

Deployment Link: <https://technocolabsteambflask.herokuapp.com>

**** NOT ACTIVE ****

-Priti, was not active in any of the task, haven't submitted any of the task and never updated anything. In Active since the day when we have made a whatsapp group. Not involved in the task and model.
